Kids N' Tennis – Irving Park Summer Tennis Camp

This summer's tennis camp provided campers with an energetic and supportive environment where they built strong tennis fundamentals, improved athletic skills, and developed confidence both on and off the court. Through daily instruction, skill-based drills, games, and match-play activities, participants strengthened their technique while learning the value of effort, focus, teamwork, and sportsmanship.

Camp Highlights

- Campers practiced core strokes, including forehands, backhands, volleys, serves, and returns.
- Daily drills targeted, footwork, hand-eye coordination, rally consistency, and court awareness.
- Players participated in cooperative games and friendly competitions that encouraged active learning and fun.
- Match-play sessions allowed campers to apply skills in realistic singles and doubles situations.
- Coaches reinforced positive habits such as fair play, respect for opponents, accurate line calls, and encouraging teammates.

Throughout the camp, players showed noticeable growth in both technique and mindset. Beginners developed a stronger understanding of basic strokes, scoring, and rallying. Intermediate and advanced players refined consistency, strategy, movement, and competitive decision-making. Across all skill levels, campers became more confident trying new skills, responded positively to coaching feedback, and supported one another during practice and matches.

Special Events & Achievement

Our Intermediate and Advanced players proudly participated in the USTA/PNW JTT Sectional Tennis Tournament, where they had the opportunity to compete as a team while representing Irving Park and our outstanding tennis program. We concluded camp with our annual year-end celebration on Friday, August 7, 2026. Players received parting gifts, including tennis racquets, balls, bags, strings, hats, and t-shirts.

Looking Ahead

We are proud of our campers' hard work and look forward to seeing them continue to grow. Families are invited to join our Indoor Weekend Tennis Program at the Portland Tennis Center, beginning Saturday, September 12, 2026. Please visit our website on September 1, 2026, for program times, dates, and registration information.

Thank you for a fantastic summer at Irving Park! 

Juneteenth Tennis Tournament Recap

To all Juneteenth Volunteers, Sponsors and players, on behalf of Kids N' Tennis, Inc., thank you for your generous support of this year's Juneteenth Tennis Tournament. Your contribution played an important role in the event's success and directly advances our mission to provide free tennis instruction, mentorship, and positive youth development opportunities for children throughout the Portland area. Your kindness and commitment helped make this event truly special, and we are grateful to have you as part of the Kids N' Tennis community. This year's tournament was a tremendous success. We welcomed 134 players and raised more than \$6,000 in support of our 39th Annual Free Summer Tennis Camp at Irving Park. Thanks to the generosity of donors, sponsors, and players like you, more than 125 children are registered to participate in one to eight weeks of free tennis lessons this summer.

Your support means far more than a successful tournament. It helps ensure that young people of all backgrounds have access to quality tennis instruction, caring mentors, and a safe, encouraging environment where they can develop confidence, discipline, and teamwork while building lasting friendships. For many participants, these opportunities open doors, create meaningful memories, and help shape who they become both on and off the court.

We deeply value your partnership and commitment to our community. Your investment enables Kids N' Tennis, Inc. to continue offering free, year-round tennis programming for Portland-area youth and expand opportunities for children and families who might not otherwise have access to the sport.

Thank you again for standing with Kids N' Tennis, Inc. and for helping make this year's Juneteenth Tennis Tournament such an impactful event. We sincerely appreciate your partnership and look forward to continuing this important work together.

With sincere appreciation,

Kids N' Tennis, Inc.
