🎾☀️ Kids N' Tennis 39th Annual "FREE" Summer Tennis Camp! ☀️🎾
📝 Registration opens May 16 and runs through June 19, 2026.

This year, Kids N' Tennis proudly celebrates 39 years of transforming lives through community service, mentorship, and the game of tennis. When you reflect on that legacy, the impact is truly extraordinary.
Nearly four decades of service means that, for some families, we are now teaching the grandchildren of the very children who first stepped onto our courts years ago. That kind of generational connection speaks not only to longevity, but also to the trust, purpose, and lasting difference our program has made within the community.

We believe this remarkable milestone firmly establishes Kids N' Tennis as one of the longest-running community-based tennis programs in the nation — continuing year after year to open doors, build confidence, and provide free summer tennis lessons to children who might not otherwise have the opportunity.

Participants may pre-register online at Kids N' Tennis or register during the first week of camp. Campers may select multiple weeks during this exciting eight-week summer program.

JUNETEENTH TENNIS TOURNAMENT 2026

A Weeklong Celebration of Unity, Sport, and Community

This year's Juneteenth Tennis Tournament will kick off with the Irving Park Summer Tennis Camp, launching a weeklong celebration of culture, competition, and community spirit.

The tournament serves as our annual fundraising event in support of this free eight-week camp for local youth. Each year, the event continues to grow—bringing together families, friends, local organizations, and businesses to champion unity and progress through sport.

The 2026 tournament promises an exciting weekend of competitive matches, community engagement, and cultural pride. Last year, over 200 players participated, helping us raise more than $8,000 to fund the camp and expand access to youth tennis programs.
